## SIDEBOARD

Design: Renato Casoni

*Sideboard with classic-style inlay work and elegantly simple lines. Thanks to the two varieties of wood or colours used, the piece blends smoothly with other wood furnishing elements, whether they be lacquered, wood or burl.*

### SIZE:

#### Length

81 1/8" (206,2 cm) standard  
70 7/8" (180 cm) compact

#### Height

34 3/4" (88,2 cm)

#### Depth

21" ( 53,4 cm )

### STRUCTURE

WOOD/BURL version is built with poplar blockboard 1 " (25 mm) thick, where veneer is cut and coupled with book effect symmetry, with 45 degrees joints at the edges of the upper surface. Doors are in poplar plywood 9/16" (15 mm) thick with coupled veneer. Back panels are in poplar plywood 5/16" (8 mm) thick.

LACQUERED version is made of poplar blockboard with MDF outer layers. Doors are MDF-layered poplar blockboard 9/16" (15 mm). Back panels 5/16" (8 mm thick) are made of MDF.

### REINFORCEMENT BOTTOM BEAM

One rectangular iron beam 1 3/16" x 2" (30 x 50 mm) under the bottom shelf, to prevent warping.

### GROUND FOOTHOLD

MDF layers 1/16" (2 mm) thick, under the side elements.

### DOORS

Four push and pull outward opening doors, with magnet and spring, and adjustable damping element made of polished steel.

### FINISH

GLOSSY: polyester or acrylic coating.

SATIN: polyurethanic coating.

MATTE: acrylic coating with wax effect.

The interiors of the sideboard and the sustaining beam are realized with the same finish of the case.

The back side of each door features the same finish of its outer one. Protective brush layers.

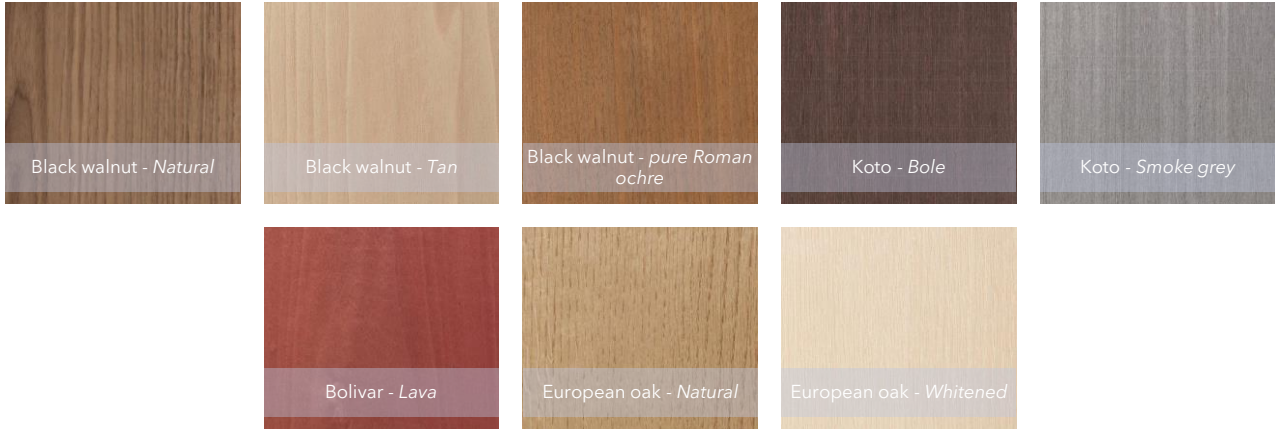

Different finishes can be available upon request.
